Edmonton, Alberta, Canada

BROUGHT TO YOU BY

IN ASSOCIATION WITH

CHRIST
UNIVERSITY

PREP & COGENT - 16th,17th and 18th December 2011

Dear Friends

DAAP is pleased to announce a “Three day workshop on PASS Reading Enhancement Program and Cognitive Enhancement program” by Dr. J.P.Das. This is intended for practitioners or those professionals who wish to bring an effective and sustainable change in the life of children with learning difficulties.

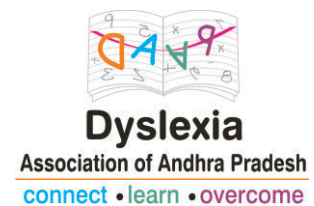

This Program is a great opportunity, for all of us as it is being conducted by Dr. J.P. Das himself who is a originator of these programs in the field of disability rehabilitation.

The program is based on the legendary theory of PASS (**P**lanning, **A**ttention, **S**uccessive and **S**imultaneous Processing) of intelligence modelled after Luria’s work.

We can all upgrade our skills through this program and become better equipped professionals in the treatment of children with learning difficulties.

I, on behalf of Dyslexia Association of Andhra Pradesh (DAAP), extend an invitation to you to attend the program and enable better service to children with learning difficulties.

Manisha Gogte
President
Dyslexia Association of Andhra Pradesh

About DAAP

DYSLEXIA ASSOCIATION OF ANDHRA PRADESH (DAAP) is a non-profit organization working for the rights of children with dyslexia. We are a group of parents, counselors and remedial teachers who have come together to help children, teachers and parents of Andhra Pradesh.

Learning disability which is a silent neurological handicap prevents children from realizing their full potential and dreams. There is discrimination and undue pressure faced by dyslexic children in their quest for a rightful place in educational, social and occupational spheres.

Our Mission

- To spread awareness about Dyslexia
- Creating a network of professionals who can help Dyslexic Children
- Forming parent support groups

For more information visit us at www.daap.in

About Christ University

Christ University (formerly Christ College Autonomous) with its vision of Excellence and Service, seeks to provide quality education in diverse fields. The Ministry of Human Resource Development of the Government of India, in its notification of 22nd July 2008, declared Christ College, Bangalore, Karnataka as 'Deemed-to-be-University.' Christ University has the rare distinction of being the first deemed to be University in Karnataka to be accredited for by the UGC for the Arts and Science streams.

Christ College (Autonomous) established in 1969, was affiliated to Bangalore University. The National Assessment and Accreditation Council (NAAC) UGC had accredited the institution for quality education and also as the first college to be reaccredited with A+ grade. It was recognized by the UGC as the college with Potential for Excellence. The Department of Psychology at Christ University conducts undergraduate, post-graduate and allied courses in Psychology with the aim of instilling a critical perspective in the budding psychologist, so that they can make informed decisions in their professional lives.

For more information on Dr. J.P. Das: <http://www.jpdas.ca/>

About PREP (PASS Reading Enhancement Program)

PASS Reading Enhancement Program (PREP) aims at improving the information-processing strategies that underlie reading, while at the same time avoiding the direct teaching of word reading skills. It is based on the PASS theory of Intelligence (Planning, Attention, Simultaneous and Successive Processing), and should be understood within the framework provided by PASS theory.

About PREP (PASS Reading Enhancement Program)...

The PASS Reading Enhancement Program(PREP) improves the information-processing strategies that underlie reading, while avoiding the direct teaching of word-reading skills. Accordingly, the program is structured so that tacitly acquired strategies are likely to be used by the children in appropriate ways. Attention and planning are important aspects of tasks given in the program.

About COGENT (Cognitive Enhancement Training)

Cognitive Enhancement Training is designed for the enhancement of cognition, phonological awareness, and language, especially linked to literacy and school learning.

Cognitive Enhancement Training(COGENT) is designed for children ages 4 to 7 with normal and atypical developmental histories Limited exposure to literacy, Mild developmental delay, Language impairment, At risk for developing dyslexia and other learning difficulties. Cognitive Enhancement Training can also be used as a continuing activity at home. It provides an alternative route toward the development of reading and associated academic skills.

Workshop details:

The participant would be trained for two international Cognitive Training Programs, PASS Reading Enhancement Program (PREP) and Cognitive Enhancement Training (COGENT).

A participation certificate will be issued for all the candidates who complete the training.
