Speaker: Michel Sohel
Communication Design Consultant

Location: KMIT Barkatpura

Agenda: 8:45am Check-in, 9am workshop, 11:15am Tea & snacks,
1:00pm participation certificates

Registration closes. 10th April.
Registration Fees Rs 500/- (inclusive of material)

Michel, a graduate of JJ School of Arts (Bombay) is a Communication Design & Virtual Reality Consultant, Michel will share his knowledge, experience, ideas and theories gained during twenty years of practicing and training Communication Design.

Michel's interactive workshop on "Creativity", is presented in an easy to understand manner with instructive examples to demonstrate how to activate creativity in children.

The interactive presentation will include the following topics:

- Identification** - Identifying creative abilities in children
- Stimulation** - Intervention strategies to develop and enhance creative thinking
- Direction** - Providing Counseling regarding creative careers to children and their families

Regardless of your level of expertise in creative education you will leave this workshop with the knowledge to identify creative instincts and channelise creative energies of children you deal with.
